SANTA TO VISIT CITY

Santa Claus and Joey the Clown will arrive soon with the Shell Christmas Show, bringing a novel puppet performance and gift boxes of candy for all the children. Gail Harris was one of the first little girls to whom Santa told plans for his annual tour.

CHRISTMAS SHOW DUE IN R. C., SAN CARLOS NEXT TUESDAY

Santa Claus is on his way here, Joey the Clown is with him, and local residents will be treated to a sparkling preview of holiday fun and merrymaking when the Shell Christmas Show reaches Redwood City and San Carlos next Tuesday.

A thrilling new puppet play will make the show entirely different fro mprevious years and a surprise box of candy which turns into a workable puppet will be given each good boy and girl, according to announcement by Shell's local manager, A. R. Boyer.

Hand puppets, the oldest known form of this kind of entertainment, will be used in the show this year. For more than 2000 years, hand puppets have been amusing people. Specimens of these puppets have been found in Egyptian tombs and they were the forerunners of the Punch and Judy show so popular in the middle ages. Instead of being worked with strings, like the marionettes seen in previous Shell shows, these puppets are held in the hand and the fingers give them likelike motion.

All performances of the Shell Christmas Show are free and are given on the special stage of the truck in which the show travels. Performances will be given at schools.

Performances will be given in

San Bruno Hits Plans for New U. S. Cemetery

Council Plans Protest Over Establishment Of Burial Ground

SAN BRUNO, Dec. 15—Formal protest against establishment of a national cemetery opposite Tanforan is expected to be made by San Bruno City Council at a special meeting Friday night.

City Atty. R. A. Rapsey was instructed to draw up a resolution protesting the cemetery and present the resolution for adoption at the council session called to award contracts for creek covering construction.

The protest will be sent to the San Mateo County Planning Commission, which has power under a county ordinance, councilmen said, to refuse the government the right to establish the national cemetery.

CITIZENS OBJECT

Numerous citizens of San Bruno have objected to the cemetery on grounds that such a plot would detract from esthetic and property value of the city.

The cemetery is planned for the tract just north of Sneath Lane, along El Camino Real, opposite Tanforan. The government has negotiated for the land but has decided not to take further steps until Spring. At that time, government spokesmen said, the planning commission, which objected to being "overlooked" in the original planning, will be contacted and permission formally sought.

PETITIONS CONSIDERED

Although the cemetery site is outside San Bruno, the city limits run to Sneath Lane and a residential tract is proposed on the city land just opposite the proposed burial ground.

Real estate men have protested that a cemetery would reduce values in this proposed residential tract.

Talk has been heard in San Bruno of circulating petitions of protest, but no petitions yet have appeared.

The bald head and neck of the vulture are natural provisions of Nature, to prevent fouling of its plumage on unclean carrion, the bird's favorite food.

In England, a law makes it illegal to take home ice cream in cardboard containers on Sunday, but you can take it home in edible containers, or cones.

The Isle of Man is the only place in the British Isles from whence England, Ireland and Scotland can be seen from the same spot.

Redwood City at Garfield School at 1:15 p.m.; Central School at 1:45; McKinley at 2:10 and 2:25, and Lincoln at 2:45. At San Carlos School the show will be presented about 3:15.

THEY "SAY IT IN FRENCH"

Ray Milland, Olympe Bradna and Irene Hervey are sipping it for the moment, but on the Fox Sequoia Theatre this Sunday, Monday and Tuesday, they are reported to "Say It in French." On the same program will be the much discussed "The Citadel."

MENLO PARK NEWS NOTES

CHRISTMAS PROGRAM HELD

MENLO PARK, Dec. 16—The big Christmas tree on Santa Cruz Ave. and the program last night were enjoyed by young and old alike. The affair was under the auspices of the local chamber of commerce, aided by the merchants and the city. Every child was given a present. All went home happy and grateful to good old Santa Claus.

Ramblers' Hall, formerly known as the Blue Moon, closed Thursday night after a long career of merry making. It has been conducted for the last six months by the young men of the city who formed the Ramblers' Club.

Frank Gainer, superintendent of the Las Pulgas Mosquito District, attended the annual meeting of superintendents of the Bay Area last Monday in Oakland. It was the general consensus of the gathering that the pest is being abated in every portion of the district. A new method of extermination is to be used next year by the various officers that will rid the area of the mosquito nuisance.

The quail season that opened Nov. 15 will close Dec. 31. Local hunters report good shooting along the foothills, but the hunting was poor in the lowlands. Frank Brascisco and W. T. Casey killed two limits each during the past month. Both are expert hunters.

Mr. and Mrs. Frank Maloney Jr. (nee Wilson), have moved into their new home in Stanford Park that was finished last week. It is a six-room cottage with the latest modern improvements.

Last Sunday night some prankster laid two pieces of timber across both rails of the Southern Pacific Co.'s tracks near Encinal Ave. at Felton Gables. The mail catcher arm at Menlo Park was extended so it would strike the engine of an incoming or outgoing train. Fortunately, it did no damage. The emergency signal at the Oak Grove crossing was carried away. The 11 o'clock night train passed over the rails without injury to life or property. In fact, the engineer never felt the impact. The timber across the track was discovered in the morning by the section foreman who reported the affair. It is believed the plan to cause damage was the work of some disgruntled person who thought he had a grievance against the railroad.

Mrs. C. Maloney, who was buried from the Church of the Nativity last Friday, was well-known in this community. She came to Menlo Park from her birthplace in Listol, Kerry County, Ireland, as a girl. Here she met and married Cornelius Maloney, who passed away many years ago. She was 81 years old. Those who knew her as a young woman recall her beauty, charm and sweet personality.

Entire Carload Of Wash Machines Is Delivered Here

First such shipment ever received here by the Ryan Furniture Co., a carload of Bendix Home Laundry units was unloaded yesterday in Redwood City, having been shipped by freight direct to this city from South Bend, Ind.

W. D. Ryan, proprietor of the furniture store, explained that "we have had such wonderful success in the sale of this washing machine that we have anticipated the wants of the public by securing a carload in time for Christmas purchases."

The Ryan firm is exclusive agents for the Bendix machine in Redwood City and Palo Alto.

Loaded onto three trucks, the machines were paraded through town before being taken to the Ryan store, 837 Main St.

P.O. Open All Day Saturday

To accommodate Redwood City district residents, the local post office's parcel post and stamp windows will remain open all day Saturday instead of closing at noon, Postmaster R. E. O'Connell Jr. announced today. Both windows will be open till 6 o'clock—later if the rush continues.

In addition, the windows may be opened for a short time after 6 o'clock evenings of next week, if there are crowds waiting at that time, O'Connell said.

He reported that the Christmas rush was well under way; that citizens "are heeding our request and advice to mail early."

The postmaster added that his office apparently was going far ahead of last year in business this Christmas season as well as during the remainder of the year.

Skyline Robber Sought by Officers

Sheriff James J. McGrath today launched a search for a man wearing dark clothes and a tan raincoat, who is about 5 feet 11 inches tall, and weighs about 150 pounds, who last night held up a San Francisco man on Crystal Springs Rd. near Skyline Blvd., stole his car and took $2.50.

Paul Wilde, the victim, told San Bruno police that he was fixing a tire when the man stepped from a clump of bushes. He held a small blue automatic pistol against Wilde's ribs while he ordered him to drive to San Bruno. There Wilde and his woman companion were ordered out of the car. It was recovered later in Lomita Park.

The rudder of the Queen Mary, British liner, weighs 140 tons.

San Matean Elected To Head Publishers

San Mateo County publishers Monday elected Harry Butler of the San Mateo Times as president, succeeding L. E. Harris of the Menlo Park Recorder; Logan Franklin of the South San Francisco Enterprise, vice president, and George A. McQueen of the Burlingame Advance, secretary, then at their meeting in San Mateo heard talks by John Long, general manager of the California Newspaper Pubfishers Association; Roy Brown of Sanger, president of CNPA, and Edwin Wilder, former CNPA official now a Roseville publisher and secretary of the Redwood Empire Association. Prior to the meeting, Mr. and Mrs. Butler were hosts at a "housewarming" at their new San Mateo home.

RABIES TEST IMPOSSIBLE

Dr. Charles C. Gans, county health director, today abandoned efforts to test the body of a mad dog shot yesterday by Patrolman Richard Grunig. The head was so badly mutilated, the doctor said, that it would be impossible to determine whether or not the brain showed evidences of rabies.

Toystack Deadline Is Set for Friday

Deadline for donation of gifts for the Tribune-Sequoia Times Toypile has been set for this Friday it was announced here, to make possible the repair of broken toys and the packing of the gifts preparatory to their distribution shortly before Christmas.

The Times is sponsoring an assembly Thursday afternoon at the high school, admission price to which is a new toy. Gifts for older children are preferred, Miss Louise Watkins, Times supervisor, said.

Any persons adept at making dresses for dolls who wish to offer their services are urged to telephone the Tribune. Dressed dolls will be particularly appreciated in the Toypile drive.

The "pompadour" fashion of hairdress was named for Madame de Pompadour, a mistress of King Louis VX, of France.

The postoffice department's parcel post business grew from $2,100,000 in 1913 to $140,000,000 in 1938.

Burlingame Dentist Sentenced to Jail

John Joseph Schultz, 59, Burlingame part-time dentist and WPA client accused of a morals charge involving an 8-year-old Burlingame girl, was sentenced to one year in the county jail today by Judge A. R. Cotton, who refused to admit Dr. Schultz to probation.

The dentist was given credit for time served, 17 days, and a 48-hour stay of execution. He is free on $500 cash bail.

Toastmasters Set Election Next Week

Toastmasters Monday nominated officers for election next Monday at the meeting of the club in the First Methodist Church social Hall. Nominated for president was Fred A. Schmitz; for vice president, James P. Hagan; for secretary, William Morrissey, and for sergeant-at-arms, Dr. Rollo O. LaBerge. Installation will be held at a Ladies' Night Jan. 9. Speakers last night, discussing various forms of organizations, were Jack Sweetman, boys clubs; Francis Lobbett, service clubs; B. E. Myers, churchers; Bruce Martin, professional associations; W. Earl Whitaker, chambers of commerce, and Max L. Gelber, lodges.

The number of Alabama children of school age decreased 6396 between 1936 and 1938.

'TRAFFIC SAFETY WEEK' HERE

Mayor Urges Support for Local Campaign To Curtail Accidents

By proclamation of Mayor Louis C. Christensen, the current week in Redwood City has been designated Traffic Safety Week.

Acting on suggestion of the Exchange Club, which is sponsoring a traffic safety campaign that is being climaxed this week with presentation of programs at many organizations' meetings and by the distribution of "Season's Greetings" windshield stickers with safety messages on the back, Mayor Christensen said today in his proclamation:

"It is recognized that one of the most effective means of curtailing the traffic toll is through intensive safety campaigns.

"Throughout our county, state and nation this year, the automobile death toll has been sharply slashed due to agencies which have succeeded in a measure in educating the public to drive their machines more carefully.

"Figures compiled only last Saturday showed that of 35 of the nation's largest cities, 10 cut their death toll by 40 per cent or more this year, as compared to the first 11 months of 1937; 10 reduced their mortality rate 15 to 35 per cent, 10 others showed some improvement; and only 5 apparently were heading for an increasing fatality list.

"From now on, over the holiday season, is one of the most dangerous periods for motorists. We all should do everything in our power to keep number of accidents at a minimum, so that our friends, our neighbors, our fellow citizens, even ourselves may be alive and well when Christmas time comes.

"Therefore, I, as mayor of the City of Redwood City, urge support for the Exchange Club's worthy project, the traffic safety campaign, and proclaim this as Traffic Safety Week in Redwood City, so that intensive thought may be centered on the need for education in traffic safety."

A. C. Adams Heads Masonic Group

SAN CARLOS, Dec. 15—A. C. Adams will be installed Jan. 10 as president of the San Carlos Masonic Club as the result of his election last night, succeeding E. R. Burton. The post of vice president, held now by Adams, will go to George Boyce. Other officers include Russell Fodrea, secretary; Loyal W. Blinco, treasurer, and William James, sergeant-at-arms. New directors are Burton, Henry F. Wrigley and Bruce Allen.

Speaker last night was Frederic O. Glover, editor of the Burlingame Advance, who told of travel experiences in China, Japan, Germany and Spain.

Captain John A. Sutter, on whose land gold was first discovered in California, died a poor man.

Mrs. Sarah Scrimsher Is Taken by Death

A long illness ended in death in a San Mateo hospital yesterday for Mrs. Sarah Scrimsher, 70, of Redwood Ave., Redwood City, wife of William Scrimsher and mother of Mrs. Goldie Sullivan of Redwood City; Mrs. Edith Dielissen of Daly City; Mrs. Evelyn Barber and Hobart Scrimsher of San Francisco and Paul Scrimsher of Oakland. She also leaves two sisters, residents of Missouri. She had lived here several months. Funeral services will be held tomorrow at 10 a. m. at the Layng & Tinney Funeral Home.

Two Persons Injured In Traffic Mishaps

Two persons were injured yesterday in non-collision accidents in San Mateo County. On Middlefield Rd. near Seventh Ave., south of Redwood City, Harry W. Foreman, 80, Seventh Ave. resident, lost control of his car at the intersection and rammed a barbershop building. He was slightly injured.

Carlo Dellussu, 42, Colma, was the driver of an automobile which ran down George Walip, 72, Colma, at 2:50 p. m. Walip was taken to Junipero Serra Hospital.

Recount Starts In Justice Race

Recount of more than 8000 ballots cast for the office of fifth (Burlingame-Millbrae) district justice of the peace got under way in Judge Maxwell McNutt's court today, with the prospect that the counting would not be completed for at least a week.

William Finger, contestant who challenged the November general election results which re-elected Gus B. Risso by six votes—4019 to 4013—acted as his own attorney. Risso was represented by Bullock & Manders. The court named two tally clerks, Lawrence Heiner and Mrs. Marie L. Johnson, to tabulate the votes.

By noon time they had waded through three Burlingame precincts, with remarkable changes indicated from official results. In the three precincts Risso had 241 unchallenged votes compared to an "official tally" of 258. Finger had only 244 compared to 296.

All ballots which were challenged, however, were not counted and their validity will not be determined until the count is completed, it was pointed out. It was estimated that nearly 60 ballots had been questioned in the three precincts.

Georgia's average per acre yield of corn in 1938 was estimated at 11.5 bushels, the same as the year before.

WPA To Re-employ 50 Discharged Men

SAN MATEO, Dec. 15—Approximately half of the 97 WPA workers laid off in San Mateo County Tuesday night will be reinstated as soon as official confirmation is obtained of orders received yesterday, Robert Mead, district WPA manager, said this morning.

Garlic-Parsley an Aid in HIGH BLOOD PRESSURE
Medical reports say that Garlic-Parsley concentrate has a double action in reducing high blood pressure. First, it tends to relax tightened arteries. Second, it checks or inhibits decomposition of waste matter in the bowels, a contributory cause of high blood pressure. To get concentrated garlic and parsley in odorless, tasteless form, ask for ALLIMIN. These tablets, used repeatedly at regular intervals, aid in reducing blood pressure and relieving headache and dizziness caused by excessively high readings. To learn what raises your blood pressure and for medical treatment consult your doctor. Large box, 50c. Special economy size, $1.00.

A baby that is underweight should be fed according to what he should weigh rather than what he actually does weigh.

The AAA says that without production control the annual bright tobacco crop might provide a surplus of 250,000,000 pounds.

In Sumatra, the Batak dentist does his work in the open market, with the patient lying flat on his back.

Setback Plea Brings Dispute

Plans to construct a $25,000 building to house a 5-room residence and four 3-room apartments at the corner of Arch St. and Hopkins Ave. were disclosed to the city planning commission Monday when Joseph Costello, owner of the property, and Ted Seufert Jr., his agent, appeared to request that the setback line on Hopkins be reduced from 28 to 10 feet.

The commission rejected this request, but finally agreed, after considerable discussion which at times waxed warm, that it would call a public hearing and then, if no objections are heard, recommend to the city council that the setback line be reduced to 20 feet on Hopkins. Costello and Seufert explained that the change was necessary to provide sufficient room on the 65 by 135-foot lot for the building.

The public hearing was set for the commission's next meeting, Jan. 9.

On request of Bryce Muir, the commission approved the northwest corner of Brewster Ave. and Bayshore Hwy. as a suitable location for a service station, but disapproved a suggested proposal to erect a stucco station there, explaining that a steel station would win approval.

Judge Percy West Addresses Sciots

Plans to carry the banners of San Mateo Pyramid of the Sciots to the 1939 convention in Phoenix, Ariz., were launched Saturday night by Toparch Luther Izmirian of San Mateo. Percy West, Sacramento County superior judge and Pharoah of A.E.O.S., made a special visit to San Mateo to encourage San Mateo County Sciots.

Other guests included Dep. Pharoah Nels Johnson; Dr. William G. Lindsay, San Francisco toparch; Warren Slack of Menlo Park, toparch of the San Jose pyramid; Harry Filbert of San Francisco, supreme proclamator; Capt. Arthur Hall and Ed Postag of the San Francisco Lybian Guards.

Luther Penniman, Sciot band director, announced reorganization of the Sciots Ladies' Auxiliary to sponsor the "on to Phoenix" campaign. First event scheduled, he said, was a card party Dec. 16 at 816 Crescent Dr., San Mateo.

HEIBERG HEARING IS SET

Harry Heiberg Jr., 18, charged with grand theft in connection with the asserted theft of an automobile, was arraigned today before Police Judge Edward I. McAuliffe, who set Dec. 21 as date for preliminary hearing. In lieu of $500 cash bail, Heiberg was being held in the county jail.

A Bright Idea for Christmas Giving!

Give HER a smart and modern
BETTER LIGHT for
BETTER SIGHT LAMP

HAS SHE a lamp that she can call her own? If not, then for pure sentiment and for clever thoughtfulness give her one of the grand-looking new I.E.S. Better Sight Lamps. Nothing you can give will be more enthusiastically received. It will become her own lamp and provide soft, diffused, glareless light that will rest and comfort her eyes.

The next time you go gift-hunting, browse through the lamp section of your favorite store. All of these new I.E.S. Better Light for Better Sight Lamps are reasonable in price. All come with white glass diffusing bowls and properly designed shades. All have the switches and bulbs that allow one to turn on just the right amount of light that is needed or wanted. You'll agree a Better Light for Better Sight Lamp is a bright idea for Christmas giving.

Citizens Urged To Aid Work

Citizens who have been sent Christmas Seals were urged today to send in the money to pay for them as soon as possible so that work of the San Mateo County Tuberculosis and Health Association may be carried on.

That work of this association is sorely needed is indicated by a release from the organization which discloses that only two states in the union have a greater number of annual deaths from tuberculosis than California, and only six states have a higher death rate.

New York ranks first in the total number of annual deaths from tuberculosis, Pennsylvania second, and California third. However, in both New York and Pennsylvania the proportion of tuberculosis deaths to the total population is lower than in California. California has the highest tuberculosis death rate of any of the densely populated states in the union.

Last year, 1428 Californians died of tuberculosis, or 67 out of every 100,000 persons living in the state.

In San Mateo County in 1937 there were 62 deaths from tuberculosis, 41 were county residents. Twenty-two of this group died in county institutions, 14 at home and 5 in private institutions. Twenty-seven were men and 14 were women. They were all of the white race and a majority were between 15 and 45 years of age. The highest percentage died of pulmonary tuberculosis and were of the unskilled labor and housewife occupational class.

"Further reductions of this death rate may be achieved within the next few years providing adequate funds to finance the programs of the county tuberculosis association are realized during the current Christmas Seal sale. The weapons with which to fight the disease are known, we must now make possible the use of these weapons in every community within our county," said the association.

TINY SEEDS, GIANT CARROTS

WISNER, Neb. (AP)—Gustav Glaubius reaped an unusual harvest from the dime's worth of carrot seed he planted last spring. He grew a truckload of carrots, some of which measured nine inches in circumference and weighed three pounds.

The border between Poland and Lithuania never has been officially settled since the two states were brought into being after the World War.

R. C. Grocery Store Sold by Paladino

Sale of Sam Paladino's grocery store on Woodside Rd. to Joseph Chassuer & Son was announced today by Dave L. Walter, local realtor who handled the transaction, which included sale of the fixtures and stock as well as the real estate and two-story building. Indicated price, according to U. S. revenue stamps affixed to the deed filed with Recorder T. C. Rice, was $18,500 cash and a Menlo Park home.

Walter reports that real estate activity has improved recently, and that the building of the new city hall and library, courthouse and schools will further stimulate activity.

Among recent sales was the home at 1517 St. Francis Way in White Oaks for William Piehl, who received the oil station on El Camino Real at Greenwood Dr., San Carlos, and a home in Santa Clara County.

CCC ENROLLMENTS OPEN

The regular CCC enrollment period will be Jan. 1-20. San Mateo County's selecting agent is Miss June Mahon, 430 Peninsula Ave., San Mateo. Youths in need of employment who are between 17 and 23, inclusive, are eligible.

An old farmhouse near Durham, N. C., which served as headquarters for the last Confederate Army in the field in 1865, has been restored and opened as a Southern shrine.

Street Work Plans Pushed

MENLO PARK, Dec. 15—Despite pigeon-holing by the federal government of Menlo Park's request for funds to aid in financing a street improvement program, the work will be undertaken by the city, the council decided at its meeting this week in authorizing a preliminary survey of the projected work to find out amount of assessments needed and prepare the way for a public hearing on the matter.

"The residents want this work done; they're willing to pay for the assessment. Let's go ahead and give it to them," Mayor J. E. Cooper told members of the council.

The improvement plans call for paving of Menlo Ave. from the highway to University Ave. of University Ave. from Santa Cruz to Middle Ave., and of Crane and Chestnut Sts.

An agreement was authorized for the purchase of 135 trees, which will be planted in Menlo Park in a long-time program of beautification. Sycamore trees were chosen for the purpose by the council.

Action on the acquisition of a street now being oiled and offered to the city by a resident as a gift was postponed pending further investigation.

The city chamber of commerce was granted a $25 donation to aid in the expense of the annual Christmas Party tonight.

Prolonged discussion on the question of insurance coverage for the city was held.

A comprehensive survey of all insurance carried by Menlo Park was recommended by Councilman Lusk.

Opposition to a proposed plumbers' and contractors' ordinance was expressed by two representatives. They stated the city's plumbers and contractors do not object to the uniform code but to its administration.

The council approved a request of the Pacific Telephone and Telegraph Company to place wires underground.

On O'Keefe's recommendation, it was voted to assess the Good Will Industries, new business establishment, a quarterly license fee.

A request by John H. Skeggs, district engineer for the division of highways, that the city substitute standard pedestrian signs at the school crossing on El Camino Real was considered by the board.

SAN CARLOS

NEWLYWEDS HOME

(Special to the Tribune)

SAN CARLOS, Dec. 15—Settled in their new home are Mr. and Mrs. Edward Colombo who returned this week from a two weeks' wedding tour of Northern California and Washington.

The wedding of Miss Stephanie Miedler and Mr. Edward Colombo was solemnized at Corpus Christi Church in San Francisco before a large group of relatives and friends. The Rev. Father Thomas DeMatei officiated. Mrs. Colombo is the daughter of Mr. and Mrs. Leopold Miedler of San Carlos. Mr. Colombo is the son of Mr. and Mrs. Edward A. Colombo of San Francisco. He is in business in San Francisco.

Now residents of Antioch are Mr. and Mrs. John Adams Boyd Jr. (Marie Louise Johnson), whose marriage was solemnized Nov. 23 at St. Charles Catholic Church, with the Rev. Father L. Crampton officiating. The couple spent their honeymoon at Del Monte.

Mrs. Boyd is the daughter of Mr. and Mrs. Gail Borden Johnson of San Mateo, and Mr. Boyd is the son of Mr. and Mrs. John Adams Boyd of San Carlos.

Port Business Gains; Operating Profit Shown

The Port of Redwood City, which this morning was having its third visit from the huge McCormick freighter, the Charles L. Wheeler has enjoyed a steadily increasing business until for November it showed a net operating revenue of $1450.91, the monthly statement disclosed today.

On Nov. 30, when the harbor completed its first year of actual operations, the port had a cash balance on hand of $5,797.81.

November was the largest month since last May, Port Manager Walter F. Murphy said, six lumber boats having docked here in the 30-day period. Three more are expected yet this month. The Charles L. Wheeler was the 56th commercial boat to visit the harbor.

Total revenue received in November was $3013.73. Expenses were $1562.82, the monthly statement showed. Of the revenue, $520 was for a year's rental on the 2½ acres leased to McElroy Lumber Co. Even if this is pro-rated, however, allowing only $45 for November, the operating profit would be $975.

Expenses do not include fixed charges, including redemption of bonds and interest, however.

A profit in operations has been shown each month this year since April, Murphy disclosed.

While the picture is rosy for November and December, some reduction in business is expected for January and February due to the rains, but an increase is again expected in the Spring. Murphy said he anticipated enough business would be handled all Winter, however, to pay operating expenses.

At present, two lumber firms store material regularly at the harbor and others occasionally, assuring a steady income. The McElroy firm had acreage leased, while the Cheim Lumber Co. pays storage fees. Because of the sodden condition of much of the land at the harbor, due to rains, it has again become necessary to store lumber temporarily on the pavement on Broadway.

Meanwhile, driving of piles for the wharf warehouse has begun, opening work on the second part of the project that will give the port the facilities needed for expansion.

Strong possibility exists, Murphy said, that paper may be shipped here and stored in the new warehouse for distribution throughout the Peninsula and Santa Clara Valley. Several possibilities also exist for securing industry at the harbor, but so far nothing definite has developed. Efforts are being made to secure terminal rates for the port, the city's application having been submitted to the Pacific Coastwise Conference Board.

The port now employs three persons regularly—Manager Murphy, Miss Beatrice Chilson, secretary, and J. A. Rice, driver of the lumber carrier. Other employes work on a per diem basis as needed.

M.P. Christmas Party Tonight

MENLO PARK, Dec. 15——In a dog sleigh with tinkling bells, Santa Claus will arrive here this evening at El Camino Real and Santa Cruz Ave. for the city's annual Christmas tree and open house program.

Special guests at the Christmas party, which starts at 7:30 p.m., will be the children of Menlo Park Santa, in the person of Lee Williams, will bring gifts for all of them.

Following the outdoor party and entertainment, a semi-formal dance will be held in the Ramblers Ballroom. A display of Christmas tree lighting in the residential sections of the city is a part of the evening program.

The celebration is held under the auspices of the retail merchants' committee of the chamber of commerce.

A huge, decorated tree stands in the center of Menlo Park, and a platform has been erected from which the children's gifts will be distributed.

W. D. Ryan's Carload Of BENDIX HOME LAUNDRY Arrives For Christmas

Our box car of Bendix Home Laundries just arrived and frankly, we're pretty excited. But this revolutionary new washer has won instant popularity—

Its fine reception called for a large order. We're glad they arrived for Christmas. See the Bendix and you'll agree—it's the gift of a lifetime!

SEE THIS MARVELOUS INVENTION DEMONSTRATED

THE BENDIX HOME LAUNDRY

Washes, Rinses Damp-Dries, Automatically!

HERE'S a tip for undecided husbands straight from Christmas Headquarters. Give her a Bendix, the successor to the washing machine. Give her the magic to wave washday work away. Bendix washes clothes, gives them three separate fresh water rinses and shuts off . . . all automatically. Mighty practical gift, too, and Bendix pays for itself. Her old washer may be worth more than the down payment needed. Easy terms. See a demonstration today.

This is all you do—

1. Put your clothes into the round glass door, close it and set the control for soaking, if you wish to pre-soak. The clothes will be thoroughly soaked for the time desired, and the soaking water drained off automatically.

2. Then set the controls for the type of fabric and water temperature desired. Both controls are clearly marked. Hot or lukewarm water flows in automatically—at a temperature that is constantly maintained. Then add soap and bluing—Bendix does the rest!

3. The clothes are washed, drained and rinsed three times and spun until damp dry . . . all ready to hang. Bendix shuts off automatically—cleans itself automatically. And you feel as fresh as when you started!

Here's Workless Washday!

THE SUCCESSOR TO THE WASHING MACHINE!

Does All of the Work Automatically!

Wife Slayer's Plea Granted

Maj. Allan D. Boggs, one-time San Mateo restaurant owner and resident of that city, will not be hanged at San Quentin prison on Friday.

The former army officer who murdered his wife was given a three-month reprieve by Governor Merriam late yesterday.

The reprieve expires on Mar. 4. Governor Merriam's secretary, Francis Cochran, explained that the reprieve was issued to give William E. Foley, San Jose attorney who had filed an application for commutation of Boggs' death sentence, additional time to submit evidence in behalf of the retired officer and son of a Detroit millionnaire.

The governor's action erased the prospect of two executions at San Quentin by different methods on the same day.

Boggs was under sentence to be hanged Friday for what he contended was the "mistake shooting" of his wife in 1936, prior to the adoption of the lethal gas chamber. Ed Davis, the last of five Folsom riot murders, is still scheduled to be put to death in the chamber.

The retired officer said he mistook his foster son lying in a bed adjoining his wife's for "another man."

U. S. exports of farm products in the past 16 years have averaged $1,320,000,000 annually, and since 1929 have fallen 35 per cent below the 16 year average.

Millbrae Police Plans Hit Snag

Plans for the formation of a police district for Millbrae and Millbrae Highlands had hit a snag today after Atty. Carl W. Anderson disclosed that it would be necessary to make a financial investigation of each parcel of property to be included. The board of supervisors yesterday appointed Lester Pallas to make the investigation and continued the hearing to Jan. 3.

County Clerk W. H. Augustus revealed for the first time that strong opposition had been recorded to the proposed district. He exhibited petitions against the district signed by 120 persons, compared to 53 names on the petition for the district. Anderson submitted an informal list of 300 names as supporters of the police district.

Charles McNab, 81, Dies in San Diego

Charles McNab, 81, brother of John L. McNab, San Francisco and Peninsula attorney, died Monday in San Diego, according to word received here yesterday. Funeral arrangements were being completed today. Interment will be at the family plot near the McNab ranch in Ukiah.

Wide Setback Asked Along Bayshore Here

Cities along Bayshore Hwy. in San Mateo County were asked today to establish a new 30-foot setback line on each side of the highway, to take care of possible future widening of the road.

Col. J. H. Skeggs, division engineer for the State Highway Department, wrote city councils asking that the setback be established. The right-of-way for Bayshore Hwy. now is 125 feet, with the paved roadway 40 feet. The right-of-way would be increased to 185 feet if the setback is established and the state takes over the land.

Colonel Skeggs wrote that his department was having no difficulty in securing the setback limitations where asked. The letter gave no hint of future plans for the widening.

Service Given Free by Lodge

A number of good reasons why Redwood City citizens should take advantage of the Eagles' offer to take fingerprints were cited by the lodge's committee on the project today as they reiterated the fact that the prints—which will be filed in a civilian file in Washington—may be taken any afternoon at the Redwood City Police Department headquarters on Middlefield Rd.

The Eagles' committee includes Paul E. Lowe, W. P. Hogan, William M. Werder, Richard O. Bell, Walter T. Maloney and Sam Alberson. In a statement released today, they said:

"The advantages of civil fingerprints are patent. Their use would eliminate the loss sustained by the cashing of bad checks; the overlapping and duplication of personnel records would be reduced; losses occasioned by fraudulent conveyances and transfers of property would be curtailed; unknown dead could be identified; the location of amnesia and drug victims, missing persons, suicides, accident victims and others could be determined.

"The use of fingerprints would aid personnel managers to establish identity of applicants, protect business against business frauds; vital statistics would be improved, parentage would be definitely fixed. Of course, crime would be reduced by preventing violation of school and labor laws, and laws governing pawn shops, as thieves could not give false names and dispose of loot. These are some of the reasons supporting civilian fingerprinting.

"It is an ironical situation when a criminal has a far better chance of being properly identified in the case of accidental or sudden death than the individual who has lived respectably in his community all of his life, but who, because of the lack of an infallible method of identification that all criminals possess through the practically universal fingerprinting of the lawless element, must often be buried in a pauper's grave and remain an enigma, so far as his fate is concerned, to his family for the balance of their existences.

"Sudden death is a frequent caller on the highways of our country in these days of rapid transportation with fast machines in the hands of careless, irresponsible drivers. Fingerprints may identify a person who has thus met with an accident.

Many of the school children whose bodies were mangled beyond recognition in the explosion of the school at New London, Tex., last Spring could have been identified if there had been on file complete fingerprint records for them. There is compulsory printing in effect at this school since the disaster.

"Fingerprinting means merely positive identity. It means that whoever so registers himself is proud of being identified with modern society and is willing to play the game according to the rules."

Fletcher To Head Democratic Club

Evans A. Fletcher, Redwood City councilman, was elected by acclamation last night to the presidency of the Democratic Club Inc. of San Mateo County. He succeeds Bradley Smith of Millbrae.

Other officers elected by the club, at its meeting in Burlingame City Hall, included Annibal Vesper, San Mateo, five counties' chairman of the American Italian New Deal Club; Thomas Broderick, Burlingame; George Buttles, Daly City; Jack Reuter, Redwood City, and Lawrence DeRosa, Atherton, all vice presidents. Mrs. Anna Karstensen of San Mateo was named secretary-treasurer for her seventh consecutive year.

The club will meet at Redwood City during the second week of January for installation.

The basic gum entering into the manufacture of chewing gum is chicle obtained by coagulating the milk, or latex, of the Sapota tree of Central America.

A Three Days' Cough Is Your Danger Signal

No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

FOUR LIGHTING CLASSIFICATIONS LISTED IN ANNUAL YULE CONTEST

Prizes in four classifications of lighted outdoor Christmas decorations will be offered this year by the Redwood City Lions Club, sponsor of the lighting contest here for the past several years, Dr. August J. Fromm, chairman of the club's committee, announced today.

There will be prizes for (1) the best house and shrub decorations; (2) the best decorated large tree; (3) the best decorated small tree, and (4) the best window decorations.

Prizes will be in the form of both cash and trophies or useful articles, according to Dr. Fromm, who was compiling the list today.

Judging will take place some night between Christmas and New Year's Day.

Any person in the city is eligible to compete, but must send his entry to the Outdoor Christmas Tree Contest Editor, c/o the Tribune, Redwood City. For the convenience of those who wish to compete, entry blanks will be published in the Tribune next week.

Chief enemies of the lower Colorado River authority are woodpeckers that peck holes in the poles and crossbars of high tension wires.

Exchangites Hear 4 Talks on Safety

The Sequoia High School public speaking students who have been carrying a safety message recently to various clubs and organizations spoke last night before the Exchange Club, sponsors of the current traffic safety campaign. They are Miss Melva Ellenberger, who acted as chairman; Miss Rebecca Bruck, Ben Iijima and Helen Lum, all students of Mrs. John D. Peck.

A. R. Boyer, chairman of the Exchange committee handling the campaign, showed two sound films on safety.

Arthur N. Blomquist was taken into the club as a new member.

Next week the organization will hold its annual Christmas party.

Building Contractor Is Sued for Divorce

Joseph W. Smith, San Carlos building contractor, was sued for divorce in superior court here today by Ernestine D. Smith, who complained that she had not only found him on several occasions in the company of another woman and that he spent much of his time with a Redwood City "lady friend," but that on Sept. 1 he borrowed 20 cents from her for a "business call" which she learned by listening outside a telephone booth was for a call to another woman. The couple were married July 27, 1935, and separated last Oct. 3. She asks $250 monthly alimony. Her attorneys are O'Keefe & O'Keefe.

Exports from the State of Georgia during the first eight months of 1938 amounted to $12,713,240 against imports of $6,999,361.

Atherton Cat Dies, Found To Be Rabid

Police Chief J. E. Farrell of Atherton has received word from the state laboratory in Berkeley that the head of a cat which died in Atherton Friday showed positive rabies symptoms.

The cat was owned by Mr. and Mrs. J. Kappas who just moved Saturday to Beresford Ave., in the Sequoia Tract south of Redwood City, from 6 Walnut St., Atherton. They had picked up the cat, a stray, in San Mateo about four months ago, Chief Farrell said they told him.

So far as could be learned, the cat had bitten no one, Farrell said. He is seeking the source of the infection.
